YOU WILL  
AGREE

that one gallon of Paint is better than another.

Not because the Maker says so,

Not because the Dealer says so,

Not because the Painter says so,

But because the gallon of paint contains better material than the other.

The Colonial Paint is 100 per cent pure. It cannot be made better.

Just about anything for a Paint Brush you need.

**FOLLENSBY & PECK.**

What makes about every  
kind of roof leak except  
Genasco Ready Roofing.

SHINGLES? Dampness rots them; or they warp and split.

TIN? Moisture (whether rain or snow or just dampness) rusts holes in it.

COAL-TAR? Sun and air dry it out; make it brittle; and it cracks. About every kind of roof but Genasco gets leaky.

Why doesn't Genasco leak?

Genasco Ready Roofing is made of natural asphalt, the only thoroughly weather-proof material known. Sun and air cannot dry it out; dampness, rain or snow cannot rust or rot it. It lives as long as your building.

Weather-proof is water-proof.
